

Meaning	Jakarta Indonesian Form	Root	Example sentence	Notes
COVER	<i>nutupin</i>	<i>tutup</i>	<i>Orang itu nutupin anak itu pake slimut.</i>	
FILL	<i>ngisi ~ masukin</i>	<i>isi ~ masuk</i>	<i>Orang itu ngisi gelas ama air</i> <i>Orang itu masukin susu ke dalam gelas</i>	Some discussion about how to encode the water here. It was felt that one would just assume water was the thing to be filled into the glass and it would generally only be when something unexpected was going to be put into it that it would be overtly mentioned.
LOAD	<i>Naro' ~ masukin ~ isi ~ naikin</i>	<i>taro' ~ masuk ~ isi ~ naik</i>	??	It seems that all LOAD verbs have some kind of manner attached to them. Difficult to isolate one
